Donald,

I think I've found Wayne Sargent's current address.

Wayne Sargent
11832 N. 105th Avenue
Sun City, AZ 85351

When I looked him up the internet says that he used to live in Kodiak, AK Lynwood, WA and that he currently lives in Sun City, AZ. It also says that he might be related to Neil and Fred Sargent. I used to see Neil and his son Fred around town. Neil died last year and I think he was around 101 years old. My grandpa and Neil knew each other for a long time. I wonder if they are Wayne's dad and brothers.

I sent Wayne a letter yesterday and I sent one to Jay and Lorna the day before.

Yes, Laura's mom told police that Laura had surgery on one of her feet, and that she wore a bandaid on it. But she didn't say which foot... An investigator that looked into the case later contacted the doctor that did the surgery, and found out that the surgery was done on the opposite foot than the shoe that KPD claimed to have found a bandaid in...

That sounds like good evidence. There's no reason why the bandaid should have been found in the opposite shoe unless it was planted... by Cops that weren't smart enough to ask Laura's mom or doctor which foot she had the surgery on!

Doug and his people should really try to find out if the earring and the pin backing still exist, as well as ask Rollie Port if he still has audio recordings of the interviews he did with former KPD officers.

I have a lot to tell him. I'm going to send him a letter tomorrow or Friday with some information, and find out if he has an email address I can contact him through. I would be able to send him a lot of information instantly that way.

Sincerely,
Cliff Anderson

Bruce St. Pierre

Bruce will turn 83 next month if he is still alive.
