Donald,

I've been wondering about something. Do you know if James Kerwin and Mike McL's Uncle Jimmy were the same person?

Mike mentioned that his uncle Jimmy got "whacked" by KPD. Mike's mom had a brother named Leonard James Wooldridge. He lived in Kodiak, but he died in Virginia in 2011.

Kerwin died in 1990 shortly after naming some KPD officers, the district attorney, and some other people. Claiming that they might have profited from Kodiak's drug trade during the 1980's, and saying that a lot of people had reasons for wanting Laura to disappear.

I was just wondering because it sounded like Kerwin and "Uncle Jimmy" might have been the same guy. I'm going to contact "Inside Edition" soon. CBS also has a crime series called "48 Hours."
